## Why buy the 2008/09 edition?

Every year, the rules change. If you're a disabled person and have an old edition, you may lose an opportunity to claim. If you're providing services to disabled people, your advice may be inaccurate. The 33rd edition includes key new information including: Pathways to Work, local housing allowances, VAT relief for disabled people and the Blue Badge scheme.

## Big changes to benefits - October 2008

A new benefit, Employment & Support Allowance (ESA) is due to replace incapacity benefit and income support for people unable to work due to incapacity. Supplementing the Handbook, our guide to ESA will provide you with the additional information you need to make sure you are completely up to date.
